“AT DEVASOM, YOU ARE INVITED TO A JOURNEY TO
UNWIND INTO RELAXING LUXURY AND
TO REWIND THE SENSES OF TIME.”

Devasom Resorts are a collection of award-winning and charismatic destinations. With a passion to delight guests, we offer genuine hospitality and a doorway into the charms of the local culture and picturesque natural surrounds.

“DEVASOM”

is derived from two Sanskrit word

“DEVA”

meaning **angels**

AND

“ASHRAM”

meaning **residence**

Our first beach resort, Devasom Hua Hin Resort, has been consistently winning awards since it first opened its doors in 2010. It is now ranked among Thailand’s best small luxury resorts.

The intimate Devasom Khao Lak Beach Resort & Villas is now open to be the new luxury landmark on the spellbinding Khao Lak seascape.

“Set in naturally beautiful surrounds, Devasom Khao Lak is the perfect place for a relaxing beachfront escape. A stay here will indulge the senses and ensure the warm hospitality that Thailand is famous for.”

RESORT INFORMATION

Devasom Khao Lak Beach Resort and Villas is the perfect beach getaway. Found by the waters of a natural lagoon to one side and the pristine shores of Khao Lak’s most stunning sunset beach to the other, this unique beachfront retreat is set in an enchanting place where two worlds meet.

The pristine, newly-built resort covers three hectares of verdant grounds, and, unusually, each of the remarkably designed 69 luxury guest rooms, pool suites and beachfront villas offer spellbinding sea views. Paying homage to the opulence of the 6th and 7th centuries, the resort’s design is based on the intricate and breathtaking archaic art and architecture of a lost civilisation that once resided here.

In addition to its peaceful setting, the resort offers a horizon-edged pool, two Michelin Guide featured restaurants serving exquisite Thai and western cuisine, a beach grill and bar, wine cellar, spa and gym. There’s even a kids club to keep the little ones entertained while you relax and unwind. Shuttle buses to transport guests to and from nearby Khao Lak town centre on a daily basis, so getting around couldn’t be easier.
